## The story of a very short man

A man walks into a bar and says, "Bartender, give me two shots." Bartender says, "You want them both now or one at a time?" The guy says, " Oh, I want them both now. One's for me and one's for this little guy here," and he pulls a tiny three inch man out of his pocket.

The bartender asks "He can drink?"

"Oh, sure. He can drink."

So the bartender pours the shots and sure enough, the little guy drinks it all up.
