# Editor's Notes

Bruce South, our membership chair and his committee certainly have been busy over the last few months. I didn't realize how much until I started putting together the new member gallery. There are 89 newly initiated members in this issue. I'd like to welcome them all to the Branch and hope to see them in the Club room and at our special events.

Our Early Bird membership campaign has started and runs until November 30th. Take advantage of the savings and the contest to win your membership for free.

We will soon be gearing up for our 2008 Poppy Campaign. Our Poppy Chair and his team are in place and ready to go. The sign-up board will be going up in early October and we are striving for 100% coverage of time frames. Remember your oath when you joined the Legion and do your part to support our Veteran's and their dependents.

Thanks to the Executive members who submitted reports to me and to the members who submitted items of interest. I appreciate all the input and try to use as much of it as I can with space and good taste permitting.

Thanks to my Assistant Editor Emma for all her help while I'm tied up with my Treasurer's duties.

I hope you all enjoy this issue.

# President's Report

The slow summer months are just about over and we have squeaked through. We still have a few dollars in the bank. Hopefully things will start to pick up now and our bar sales will improve significantly. We need the support of all our members, not just a few if we are to keep this Legion alive and vibrant.

Legion week this year starts on Sept. 19 through to Sept. 28<sup>th</sup>. We have a brand new line-up of entertainment for you during this week so come on out and enjoy. The line-up is posted in the club room and is also on the Website. At this time we would like to thank our sponsors Molson, Labatts, Diageo and Colio Wines for covering the cost of the entertainment for Legion week.

Hopefully our meat draw will pick up also at this time. Thanks to all the volunteers who kept this going all summer.

We are on the verge of another Poppy Campaign and again I call on all members to get involved to help make this Campaign another big success.

In closing I would like to say thank you to all our volunteers, our Ladies Auxiliary, our brand new Color Party and our Executive members who work so hard to make this Legion a success.

Yours In Comradeship  
Mike O'Hara
