

Lest We Forget

Comrades as the summer draws to a close I would just like to remind you that our annual Poppy Campaign will soon be upon us.

The success of what is the Royal Canadian Legion's reason for existence rests on the shoulders of its volunteers and that is where you are needed. We will need you to step up and be counted. We need your time to do what we are obligated to do. To assist the Poppy Campaign and in doing so assist our Veterans and their Dependants.

Early in October the sign-up board will appear in the clubroom detailing the areas where we would like to have volunteers tagging during the Remembrance Period and we will be encouraging you to select a date and time suitable to you. It takes only an hour or two for you to make a difference. Please help us assist them.

Dates to watch for:

Campaign Starts	Nov.1 st
Poppy Dance with the PAR 3	Nov 8th
Church Parade	Nov.9 th

Stay tuned for all news regarding the Remembrance Period.
