Three men were met by Saint Peter at the pearly gates on Christmas Eve.

"In honor of this holy season," Saint Peter said, "you must each possess something that symbolizes Christmas to get into heaven." The first man fumbled through his pockets and pulled out a lighter. He flicked it on. "It represents a candle," he said.

Saint Peter said, "You may pass through the pearly gates."

The second man reached into his pocket and pulled out a set of keys. He shook them and said, "They're bells."

Saint Peter said, "You may pass through the pearly gates."

The third man started searching desperately through his pockets and finally pulled out a pair of women's panties. St. Peter looked at the man with a raised eyebrow and asked, "And just what do those symbolize?"

The man said, "These are Carols."

The new Supermarkets have an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

Then you approach the milk cases, you hear cows mooing and witness the scent of fresh hay.

When you approach the egg case, you hear hens cluck and cackle and the air is filled with the pleasing aroma of bacon and eggs frying.

The veggie department features the smell of fresh buttered corn.

I don't buy toilet paper there any more.

A Dog's Letters To God...

Dear God: When we get to heaven, can we sit on your couch?
Or is it going to be the same old story?

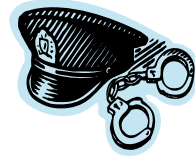

Dear God: If a dog barks his head off in the forest
and no human hears him, is he still a bad dog?

Dear God: We dogs can understand human
verbal instructions, hand signals, whistles, horns,
clickers, beepers, scent ID's, electromagnetic
energy fields, and Frisbee flight paths. What do humans
understand?

Dear God: When I get to Heaven, may I have my testicles back?

The following Police Comments were taken off of actual police car videos around the country.

#7 "So you don't know how fast you were going. I guess that means I can write anything I want on the ticket, huh?"

#6 "The answer to this last question will determine whether you are drunk or not. Was Mickey Mouse a cat or a dog?"

#5 "Yeah, we have a quota. Two more tickets and my wife gets a toaster oven."

#4 "Just how big were those two beers?"

#3 "No sir we don't have quotas anymore. We used to have quotas but now we're allowed to write as many tickets as we want."

#2 "I'm glad to hear the Chief of Police is a good personal friend of yours. At least you know someone who can post your bail."

And THE BEST ONE !!!!!!!

#1 "You didn't think we give pretty women tickets? You're right, we don't. Sign here."

Jack wakes up with a hangover after the big New Year's Eve party. He has to force himself to open his eyes, and the first thing he sees is a couple of aspirins on his bedside table. Next to them is a single red rose. Jack sits up and sees his clothing in front of him, all clean and pressed. He notices that the room is in perfect order and spotlessly clean. He takes the aspirins, and then cringes when he sees a huge black eye staring back at him in the bathroom mirror. It's then that he notices a note hanging on the mirror. The note says: "Honey, breakfast is on the stove. I left early to get groceries to make you your favorite dinner tonight. I love you, darling!"

Jack stumbles to the kitchen and sure enough, there is his hot breakfast, steaming coffee, and morning newspaper. His son is also at the table. Jack says, "What happened last night?"

His son says, "Well, you came home after 3 A.M. You were drunk and out of control. You fell over the coffee table and broke it, and then you threw up in the hallway and got that black eye when you ran into the door."

Jack says, "So, why is everything in such perfect order, and why do I have a rose, and breakfast on the table waiting for me?"

His son says, "Mom dragged you to the bedroom, and when she tried to take your pants off, you screamed, "Leave me alone, lady, I'm married!"

The Three Little Pigs

Three Little Pigs went out to dinner one night.

The waiter came and took their drink order.

"I would like a Sprite," said the first little piggy.

"I would like a Coke," said the second little piggy.

"I want beer, lots and lots of beer," said the third little piggy.

The drinks were brought out and the waiter took their orders for dinner.

"I want a nice big steak," said the first piggy.

"I would like the salad plate," said the second piggy.
