Why We Love CHILDREN!

A kindergarden pupil told his teacher he'd found a cat, but it was dead. "How do you know that the cat was dead?" she asked him.

"Because I pissed in its ear and it didn't move." answered the child innocently.

"You did WHAT!!" the teacher exclaimed in surprise.

"You know." explained the boy. "I leaned over and went 'Pssst!' and it didn't move."

A woman was at work when she received a phone call that her small daughter was very sick with a fever. She left her work and stopped by the Pharmacy to get some medication. She got back to her car and found that she had locked her keys in the car. She didn't know what to do, so she called home and told the babysitter what had happened.

The babysitter told her that the fever was getting worse. She said, "You might find a coat hanger and use that to open the door." The woman looked around and found an old rusty coat hanger that had been left on the ground. She looked at the hanger and said, "I don't know how to use this."

She bowed her head and asked God to send her help. Within five minutes a beat up old motorcycle pulled up, with a dirty, greasy, bearded man who was wearing an old biker skull rag on his head.

The woman thought, "This is what you sent to help me?" But, she was desperate, so she was also very thankful. The man got off of his cycle and asked if he could help. She said, "Yes, my daughter is very sick. I stopped to get her some medication and I locked my keys in my car. I must get home to her. Please, can you use this hanger to unlock my car?" He said, "Sure." He walked over to the car, and in less than a minute the car was opened.

She hugged the man and through her tears she said, "Thank You So Much! You are a very nice man." The man replied, "Lady, I am not a nice man. I just got out of prison today. I was in prison for car theft and have only been out for about an hour."

The woman hugged the man again and with sobbing tears cried out loud,

"Oh, Thank You God! You even sent me a Professional!"

Confuse traffic signs

A cop pulls over a carload of nuns.

Cop: "Sister, this is a 65 MPH highway -- why are you going so slow?"

Sister: "Sir, I saw a lot of signs that said 22, not 65."

Cop: "Oh sister, that's not the speed limit, that's the name of the highway you're on!"

Sister: Oh! Silly me! Thanks for letting me know. I'll be more careful.

At this point the cop looks in the backseat where the other nuns are shaking and trembling.

Cop: Excuse me, Sister, what's wrong with your friends back there? They're shaking something terrible.

Sister: Oh, we just got off of highway 119.
