

The Half-Wit

A man owned a small ranch in New Mexico . The Labor Department claimed he was not paying proper wages to his employees, so they sent an agent out to interview him.

"I need a list of your employees and how much you pay them," demanded the agent.

The rancher replied, "Well. There's my ranch hand who's been with me for 3 years. I pay him \$600 a week plus free room and board. The cook has been here for 18 months, and I pay her \$500 per week plus free room and board. Then there's the half-wit who works about 18 hours every day and does 90% of all the work around here. He makes about \$10 per week, pays his own room and board and I buy him a bottle of bourbon every Saturday night."

"That's the guy I want to talk to, the half-wit," says the agent.

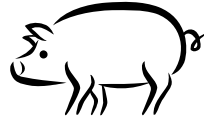

"That would be me," replied the rancher.

Man driving down road. Woman driving up same road.

They pass each other.

The woman yells out the window, PIG!

Man yells out window, B I T C H!

Man rounds next curve.

Crashes into a HUGE PIG in middle of road, and dies.

DID NOAH FISH?

A Sunday school teacher asked, "Johnny, do you think Noah did a lot of fishing when he was on the Ark?"

"No," replied David. "How could he, with just two worms?"

A hobo comes up to the front door of a neat looking farmhouse and raps gently on the door. When the farm owner answers, the hobo asks him, "Please, sir, could you give me something to eat? I haven't had a good meal in several days."

The owner says, "I have made a fortune in my lifetime by supplying goods for people. I've never given anything away for nothing. However, if you go around the back, you will see a gallon of paint and a clean paint brush. If you will paint my porch, I will give you a good meal."

So the hobo goes around back and a while later he again knocks on the door. The owner says, "Finished already? Good. Come on in. Sit down. The cook will bring your meal right in."

The hobo says, "Thank you very much, sir. But there's something that I think you should know. It's not a Porsche you got there. It's a BMW."

Junior had just received his brand new drivers license. To celebrate, the whole family trooped out to the driveway and climbed into the car for his inaugural drive. Dad immediately headed to the back seat, directly behind the newly minted driver. "I'll bet you're back there to get a change of scenery after all those months of sitting in the front passenger seat teaching me how to drive," said the beaming boy to his old man. "Nope," came dad's reply, "I'm gonna sit back here and kick the back of your seat while you drive, just like you have been doing to me for sixteen years."

GOOD SAMARITAN

A Sunday school teacher was telling her class the story of the Good Samaritan, in which a man was beaten, robbed and left for dead. She described the situation in vivid detail so her students would catch the drama. Then, she asked the class, "If you saw a person lying on the roadside, all wounded and bleeding, what would you do?" A thoughtful little girl broke the hushed silence, "I think I'd throw up."

A day without sunshine is like . . . night.

Change is inevitable, except from vending machines
