

## *Police Warning*

Police are warning all men who frequent clubs, parties and local pubs and especially Legions, to be very cautious when offered a drink from any woman. Many females use a date rape drug on the market called "Beer" to target men.

The drug is generally found in liquid form and is now available almost anywhere. It comes in bottles, in cans, from taps, and in large "kegs."

After drinking Beer, men often awaken with only hazy memories of exactly what happened to them the night before, often with just a vague feeling that "something bad" occurred.

Beer is used by female sexual predators at parties and bars, to persuade their male victims to go home with them. Men are rendered helpless against this approach. After several more beers, men will often succumb to desires of horrific-looking women to whom they would never normally be attracted.

At other times these unfortunate men are swindled out of their life savings, in a familiar scam known as "A Relationship." It has been reported that in extreme cases, the female may even be shrewd enough to entrap the unsuspecting male into a longer-term form of servitude and punishment referred to as "Marriage."

If you fall victim to this insidious Beer and the predatory women administering it, there are male support groups with venues in every town where you can discuss the details of your shocking encounter in an open and frank manner with similarly affected, like-minded guys.

For the support group nearest you, just look up "Golf Courses" in the yellow pages. Please forward this warning to every male you know, (and women with a sense of humor!)

He says, "Why, what do you need?" She says, "If you're going to start using that rusty old thing, I'm getting a tetanus shot."

"Three years ago you said to go to Hawaii. I went to Hawaii and Earlene got pregnant." "Then two years ago, you told me to go to the Bahamas, and Earlene got pregnant again."

"Last year you suggested Tahiti and darned if Earlene didn't get pregnant again." Luther Bollix asks Billy Bob, "So, what you gonna do this year that's different?"

Billy Bob says, "This year I'm taking Earlene with me."

## Who Wears the Pants

Jack was set to marry Jill, so his father sat him down for a little chat. He said “Jack, let me tell you something: On my wedding night in our honeymoon suite, I took off my pants, handed them to your mother, and said, ‘Here, try these on.’”

She tried on the pants and said, “These just don’t fit,” to which I replied, “Exactly. I wear the pants in this family and I always will. Since that night we have never had a problem.”

“Hmm,” said Jack, thinking this might be worth a try. So, on his honeymoon Jack took off his pants and said to Jill, “Here, try these on.”

Jill does so and says, “These just don’t fit,” to which Jack replied, “Exactly. I wear the pants in this family and I always will, and I don’t want you to ever forget that.”

So, Jill took off her pants, handed them to Jack and said, “Here, you try on mine.” Jack does so and says, “I can’t get into your pants,” to which Jill replied, “Exactly, and if you don’t change your attitude, you never will.”

### *Blonde Newfie*

Two bored casino dealers are waiting at the crap table. An attractive blonde from St. John's, Newfoundland arrived and bet twenty-thousand dollars (\$20,000) on a single roll of the dice.

She said, "I hope you don't mind, but I feel much luckier when I'm completely nude." With that, she stripped from the neck down, rolled the dice and yelled, "Come on, baby, Mama needs new clothes!" As the dice came to a stop she jumped up and down and squealed..."Yes! Yes! I Won, I Won!"

She hugged each of the dealers and then picked up her winnings and her clothes and quickly departed. The dealers stared at each other dumfounded. Finally, one of them asked, "What did she roll?" The other answered, "I don't know - I thought you were watching."
