President's Report

Well summer is just about over and hopefully our worst revenue months for the year. The cottages and trailers will be closing soon and this may mean more members will be coming around to support their legion again.

The good news is Legion Week is coming up in September and we have an open house planned this year with a number of parties and some great entertainment during this period. We will be celebrating our 65th anniversary on Saturday, September 22 with a dance and party upstairs in the large hall. Come out and enjoy a great evening with "The Maritimers", a good "Down East" band to entertain you.

Come on out Friday night September 14, for a night of Classic Rock, free entertainment in the Club Room provided by one of our members, Brent Sharpe and his band "Group Therapy".

On Sunday September 16, karaoke will return with "Karaoke Knight" featuring John Miller for a karaoke challenge.

On Wednesday September 19 our Club Room will be filled with entertainers for a jam session for all to enjoy.

Most of the entertainers for the week will be provided for by our Molson and Labatt reps. Thanks for your support. Come out and enjoy yourself and support your Branch.

It's great to see all the support of the Legion members at the repatriation processions for our soldiers killed outside the country in the line of duty. Our condolences go out to all their families.

Yours In Comradeship
Mike O'Hara
