President  
Branch 322, Royal Canadian Legion  
111 Hunt Street  
Ajax, Ontario L1S 1P3

Dear Mr. O'Hara:

On behalf of the employees and retail partners of Phoenix AMD International, I am pleased to forward the enclosed donation of \$1,000 to Branch 322 to aid in the funding of your annual Canada Day celebrations as well as other activities benefiting Canadian veterans and their families.

Phoenix is a company that has been blessed by its success, which has been driven by our associates, the majority of whom live in and around the Town of Ajax, a community that has also been our home for the past ten years or so. We are also keenly aware our success would not have been possible without the peace that was hard-won by Canadian veterans over the past century, so we are truly delighted to be able to aid your organization in its time of need.

Should the need arise again; please do not hesitate to call upon us. Our company's mission statement clearly directs us to *Show Gratitude for our Bounty*: "Knowing we have been blessed, we will honour our success by acting charitably when and where there is need."

On behalf of the employees and retail partners of Phoenix AMD International, I remain,

Respectfully yours,

Albert Marrache  
President & Chief Executive Officer
