Those Lucky Fire Fighters!

What's a celebration without hot dogs, dancing and a clown (Princess Patches)?!

# Sergeant At Arms

At this year's Warriors Day Parade, there were approximately 40 members in attendance. Out of this number, we had one fourth that marched in the parade and yes OUR Colours were flown not only with honour but with pride!

This Colour party consisted not only of two of our more senior members but also included two of our newer members as well. When entering the stadium the Colour Party of Branch 322 when Announced, received a well deserved round of applause and cheers from the crowd. I would like to take this time to thank you all for the effort shown and presented on this day. It made me proud to say that I am a member of this branch, It was made apparent to me that when people come together to support a noble cause, only good can happen! Once again thank you all.

Any member in good standing wishing to join our new Colour Party, please see the sign up sheet located on the bulletin board by the elevator.
