

Free drinks for everyone

One night, a drunk comes stumbling into a bar and says to the bartender: "Drinks for all on me including you, bartender." So the bartender follows the mans orders and says: "That will be \$36.50 please." The drunk says he has no money so the bartender slaps him around and throws him out.

The next night the same drunk comes in again and orders a drink for everyone in the bar including the bartender. Again the bartender follows instructions and again the drunk says he has no money. So the bartender slaps him around and throws him out.

On the third night he comes in, the drunk orders drinks for all except the bartender. "What, no drink for me?" replies the bartender. "Oh, no. You get violent when you drink."

Got a Problem?

A construction worker walks into a bar. He's a rather large, menacing guy. He orders a beer, chugs it back, and bellows, "All you guys on this side of the bar are a bunch of idiots!" A sudden silence descends.

After a moment he asks "Anyone got a problem with that?" The silence lengthens.

He then chugs back another beer and growls, "And all you guys on the other side of the bar are all scum!" Once again, the bar is silent.

He looks around belligerently and roars, "Anyone got a problem with that?" A lone man gets up from his stool unsteadily and starts to walk towards the man. "You got a problem, buddy?"

"Oh no; I'm just on the wrong side of the bar."
