

Ajax Family Festival

Trade Show and Craft Show

We were well represented at the Ajax Family Festival with our Membership booth and the Ladies Auxiliary selling sandwiches and beverages.

A Member Supporting the Community

I spoke to Bruce and asked him "Why do you do what you do?"

He replied that the older people need our help so when his father moved into Bally Cliffe he decided to get more involved. He said they need more people to get involved.

They need someone to help them get out to attend the social events such as the monthly Legion Seniors Luncheon. He enjoys driving them, spending time with them and listening to their stories.

He said, with the Navy League Van available it makes it so much easier to get more people out. He wanted me to pass on a special Thank You to the Navy League for the use of their van.

Emma Smith

Meritorious Service Medal

Mike Fitzpatrick was awarded the Meritorious Service Medal at the November 7th General Meeting (pictured below with Deputy Zone Commander Lorraine Duncan and President Mike O'Hara).

Mike has served the Branch in many capacities over a number of years. He has also been very active in the community and especially with Ajax Home Week.

Mike is a tireless worker and when asked to perform any task does so with a smile on his face.

Congratulations Mike!

Visit to School

Dave Vose's grandson attends grade 2 at Quarter Village Public School in Uxbridge. He was invited to speak to the class.

The teacher asked his grandson to introduce him and he told the class "This is my Grandpa". The teacher asked if he had another name. "Nope" his grandson said, "Just Grandpa."

Dave purchased enough Red Support Our Troops T shirts to outfit the entire class. Of course they had to put them on and have a picture taken.

Great work Dave. We need more members spreading the word to our schools.
