# Editor's Notes

Well another edition finally put to rest. This was a real tough one because I had so much material.

Thanks to everyone who sent items in to me. Unfortunately, the magazine can only be so big and I'm afraid we can not use everything,

The new member gallery is big again this issue with over 50 pictures. It's nice to see some of these new members in the club room and at the general meetings.

Our financial situation has improved considerably from the summer months. A lot of this is due to the new entertainment that has been coming in to the club room. A big thanks to Comrade Sharpe and his special events committee.

Our Poppy campaign was a huge success in spite of being 4 or 5 days shorter than normal. Congratulations to Comrade Cyril Best, Poppy chair and his hard working committee. Thanks to all the members who went out on Poppy duty.

At the Remembrance Day ceremony, I looked around at the Veterans standing there so proudly and at members of the community who also came out to pay their respects to those who have fallen in the line of duty. I am proud to belong to the Legion that promotes Remembrance and helps our Veterans.

# President's Report

I would like to thank our entire executive for their support and dedication throughout the past year. Also I would like to say a special thank you to our Ladies Auxiliary, our Colour Party and all the volunteers who gave so freely of their time throughout the year to help keep our Legion operating.

Thank you all and may 2009 bring good health and happiness to you and all the members of Branch 322.

As you may be aware, we are in the process of bringing an outdoor patio to the branch. So far we have received approval from the Zoning by-law and the Town Planning Department to go ahead with the patio. The go ahead for the funding and actual building of this project was approved at our General meeting on March 4<sup>th</sup>. The contractor has been hired and we expect to begin construction on or before April 20<sup>th</sup>.

I would like to congratulate Comrade Cyril Best and his Poppy committee for the great job they did on the Poppy campaign. Also thank you to all the members who signed up and went out to do their Poppy duty.

Yours In Comradeship  
Mike O'Hara
