Poppy Report

Comrades, I would like to thank Comrade Mike for selecting me to be the Poppy Chairman, coupled with the Service Officer it is probably the most satisfying position in any branch. Secondly I have to thank my two co-workers Reg and Emma who took care of business for me during the lead up to the campaign while I tanned on the beaches of South Florida. They done a fantastic job ensuring everything was set to go on my return.

Last but not least to everyone who participated in the Poppy Campaign and that includes the many taggers, the people who delivered the boxes to the stores, the Ladies of the Auxiliary for their services, our Sgt. St Arms for ensuring that we got to the church on time, the padre for his inspirational words, to Cathy Taylor and her band of "Girls" for organizing and serving the pot luck supper and to everyone who contributed to the Raffle the Dance and the Pot Luck Supper you deserve a pat on the back.

You overcame the fact that the Campaign was one of the shortest and helped 2008 become one of, if not the most successful Poppy Campaigns yet. As of the time of writing we are at \$50,000. That is exceptional in the time we had available.

I would be remiss if I didn't single out the amazing job that our Veterans do day after day, Many of them were out on a daily basis, I won't mention names but I know who you are and so do many of our members. It is an example that many of our younger members should strive to achieve in future years.

Finally I would like to thank the Officers and Members of the Ajax/Pickering Navy League and Sea Cadets for the effort they gave on the two Saturdays that they were tagging for us. Well done!

Yours in Comradeship
Cyril Best
