

# 2008 Drumhead Ceremony

For the first time in 68 years, Branch 112 of the Royal Canadian Legion hosted the annual Drumhead Ceremony on September 28, 2008. Legion branches from all over Southern Ontario attended the event. The ceremony originated when soldiers in the field of battle would create an altar for their padre by piling their drums together.

Our colour party participated in the ceremony and parade and did a great job representing the Branch.

# A Visit From Santa

Santa and Mrs Claus took time out from their busy schedule to visit our Senior's Luncheon in December. They were a big hit.
