

Sergeant At Arms

I would like to thank everyone who supported the Colour Party over the past year. We had a very successful year with a lot of new recruits joining the Colour Party. The Colour Party is something that every member can join. I am willing to train any interested members, we have a lot of fun and it is a great opportunity to represent and support the Branch.

Our Legion uniform is recognized all over the world as being associated with veterans. Currently, we have many of our young men and women serving overseas in harms way and when we parade at public events it reminds the citizens, even if only for just a few minutes, of the dedication of our Men and Women who serve and have served our Country.

This is currently a slow time of the year for the Colour Party so we have suspended our practices until the spring. I will be posting a notice to let everyone know when we will start-up our weekly practices. If anyone is interested in becoming a member please contact me at langill@rogers.com or leave your name and phone number at the office.

Yours in Comradeship
David Langille
