# President's Report

Well we have completed the first seven months of my watch and it has been an extremely busy period. I would like to extend my appreciation and thanks to all the executive members, the Ladies Auxiliary, Colour Guard and especially every member who has given their time and effort in any way they could to get us through this period.

At this time I would like to point out to all members that this is your Legion and you can make it anything you want, but you must get involved. Your involvement will be appreciated and you, can make a difference.

Again, thank you all for your support, and may the year 2006 be a very successful , happy, prosperous, and especially a healthy New Year.

Yours In Comradeship  
Mike O'Hara

*From A Proud Member*

I would like to personally take this opportunity on behalf of my wife Cathy, our son Jason, all of our family members, and the Canadian men and women serving overseas in Afghanistan, to say thank you to everyone that volunteered and contributed so unselfishly in making sure that "Operation Home Fires" was a tremendous success.

You can all be very proud of yourselves. This heart-felt action is deeply appreciated, and will not be forgotten by our sons and daughters serving so bravely in our military during these difficult and trying times.

Once again thank you, and let us never forget that our "Freedom is not Free."

Thank you  
Colin Taylor
