July – August
2004

HMCS PROVIDER (March 21 - April 19) You will read your horoscope. The first line will say, 'Ignore bad advice.' So stop reading your horoscope.

HMCS ST. LAURENT (April 20 - May 20) The secret of staying young is to live honestly, eat slowly, and lie about your age.

HMCS ARCHILLES (May 21 - June 20) You will wonder why it is, that young men are always cautioned against bad girls. Anyone can handle a bad girl. It's the good girls men should be warned against.

HMCS BONIVENTURE (June 21 - July 22) Lead not into temptation. Just tell them where it is; they'll find it.

HMCS MAGNIFICENT (July 23 - August 22) If your spouse wants to learn to drive, don't stand in their way.

HMCS HEIDA (August 23 - September 22) From birth to 18 you need good parents; from 18 to 35, you need good looks. From 35 to 55, good personality. From 55 on, you need good cash. Start saving your money.

HMCS LAUZON (February 19 - March 20) The problem with the designated driver program, it's not a desirable job. But if you ever get sucked into doing it, have fun with it. At the end of the night, drop them off at the wrong house.

Three Blondes

Three blondes were walking in the forest one day.
They saw a set of tracks and started arguing over
what kind of tracks they were.

The first blonde
said, "I think they're deer tracks!" The second
blonde said, "I think they're dog tracks!" The
third blonde said, "Well, I think they're cow
tracks!"

They were still arguing when the train
hit them.

Little Billy

Little Billy was squirming around in the back of the class.
When his teacher asked him what was wrong.
Billy whispered that he had poison ivy
on his privates and was real itchy.
The teacher sent him to phone his mom and
when he came back to class, he sat back down.
All of a sudden, Billy's class mates were giggling and laughing,
and when the teacher went to see why,
she saw Billy standing there
with his wee wee hanging out!
"What are you doing?" She gasped.
"Didn't you call your mom?"
"I did," replied Billy...
"She said she'd pick me up from school
if I could stick it out till noon."

Funny Two Liners

Thy call our language the mother tongue
Because our fathers rarely get a chance to speak

When I told the doctor about my loss of memory
He made me pay in advance

I passed your house yesterday
Thanks, I appreciate it

It was love at first sight
Then I took another look

Do you think I'll lose my looks when I get older?
Yes, if you're lucky

Has there been any insanity in your family?
Yes doctor, my husband thinks he's the boss

Behind every successful man there is a women
Behind every unsuccessful man there are two
