President's Report

First of all comrades I would like to thank everyone who showed up at the elections this year whether you supported me or not. We had a great turnout. It shows that you care about your Legion.

I would also like to take this opportunity to thank last year's Executive committee for their time and effort and also to extend my congratulations to our new Executive committee, and also to say that I am looking forward to working with all of you over the next twelve months.

We have a great deal of talent and experience in our Legion and quite a few dedicated volunteers that wish to spend their valuable time to ensure that our Legion is a total success.

I have made various appointments to chair the various committees, and events for the coming year, that may not please everyone. I would ask that rather than complaining in the clubroom or arguing about it, you simply make arrangements with these various chairman to assist them in any way you can. Each of them requires an assistant or co-chair and other members to get their job done. You can help. Don't wait for them to come to you. Go to them

I would like to thank our Ladies Auxiliary for all of the fine work they have done over the years, I know their support will continue as always in the future as well.

On a sad note, we lost two of our great veterans recently, Comrades Bernie Bedworth and Ben Severs as well as Ordinary member Harry Welsh and Associate member James Russell. My condolence to all of the families.

In closing let me say that I am very excited, and that I am really looking forward to the future as your president, and I see no reason that with our members talent, expertise and support, we will not only have the friendliest branch, but the best branch of the Royal Canadian Legion in all of Canada

Thank you comrades.
Mike O'Hara
