# President's Report

I can't believe a year has passed since the last elections, but here we go again. We have had a busy year. The Poppy Campaign was a great success, the halls have been booked on a regular basis.

The Clubroom has been a popular spot, especially over the winter months. Our Sports Room got a facelift, thanks to some of our members. As always the meat draw drew a big crowd, even in the summer months.

We held the Karaoke challenge for a second time. We didn't win the title but we still had fun and that is what it is all about, Comradeship.

Brantford came down for the other Karaoke challenge and we won that one. We hope to be going there in the fall.

All of our sports teams did very well, even if some of the teams did not go on, we can be very proud of everyone of them. It is not whether you win or lose it's how you play the game.

We have the Canada Day celebrations coming up, and the Legion picnic.

I would like to take this opportunity to thank all of the present Executive for a job well done. Also on behalf of the present Executive, I would like to thank everyone that has volunteered to be on the different committees, or helped out in one way or another, which is probably just about every one on our membership list.

I wish all of the nominees good luck in the upcoming elections on May 4th. Hope to see you all there.

Yours In Comradeship  
Marlene Wilson
