President's Report

Well Comrades, we are at that time of the year again with Warriors Day at the C.N.E. just completed. When I was a kid we all knew that once the C.N.E. was here it was the end of summer and the start of school wasn't far behind. As far as our summer this year, it has felt like we've had an extended spring. But, you never know, maybe we still have some sort of summer to look forward to.

I must say though, Mother Nature did not let us down for our Canada Day celebrations. Even though it was a little windy, it was a beautiful day. With the exception of a little problem with the cash register, everything ran smooth. Most of our members that I talked to that day, said it was best held outside. J & J did a fabulous job playing from twelve noon to eight o'clock outside. We moved inside where they switched to Karaoke for an additional two hours without charge. A much appreciated contribution to our Canada Day celebrations.

I'd like to thank all the volunteers for their help putting up the fencing, also for setting up the tents, the bar, tables and chairs, etc. and tearing it down at the end of the day. Also thanks to Mike O'Hara and his crew for looking after the B.B.Q. A special thank you to some of our Youth Dart members for helping out, setting up, selling tickets and playing the games and to my oldest grandson for getting up with me very early the next morning to take the fencing down so that the Town workers could pick it up. It was a lot of work but it was worth it.

Mother Nature didn't let us down once again a week later when we held our Annual Picnic. A lot of fun was had by all. I know David Vos's family, that live in Malasia, actually called David in advance before their annual trip over here, to find out the date of the picnic so that they can arrange their flight to arrive the day before, so they don't miss the picnic. We had a lot of younger children this year. It was fun to watch them making friends and having a fun time. But I think the older kids (ha,ha,) have just as much fun, if not more.

Once again I'd like to thank all the help I received this year and the Colour Guard for doing the B.B.Q. Mike O'Hara and crew have been doing a wonderful job with the odd B.B.Q's we've had this summer. Thanks guys. And finally, I say thank you to all the members for coming out and supporting Your Legion over the summer months.

Yours in Comradeship
Marlene Wilson
