President's Report

Well, summer is just about over, and two of our slowest months of the year have passed. I would like to thank all of the volunteers who have given up their time to help keep our Club running smoothly: with a special thanks to our Ladies Auxiliary, and our Colour Guard for their continuing support.

During this time we brought in the new card table which was dedicated to Alex Latta and I see it has been well Christened. Some of the other things that have happened over the two months and some of the other initiatives that are pursuing will be explained by the respective Chairpersons, who will fill you in as we as we go.

I think it is time that we all started acting like adults and I am asking once again that we put our differences aside for the sake of the Legion. We have a fabulous Legion here and as I said in my last report, we want to make it the best Legion in Canada, but I can't do that alone. I need your support!

Yours In Comradeship
Mike O'Hara
